Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (MedicalControl, Inc., Common Stock, \$0.01 Par Value, Warrants Expiring May 13, 1996)

August 1, 1995.

MedicalControl, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Pacific Stock Exchange, Incorporated ("PSE").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, the primary reason for this action relates to the lack of trading volume on the PSE. The Board of Directors is unaware of any benefit based on its evaluation of the listing. The Company also is listed on the Nasdaq National Market System where the stock primarily trades.

Any interested person may, on or before August 22, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.

with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Boston Stock Exchange, Inc. ("BSE").

The reasons alleged in the application for withdrawing the Securities from listing and registration include the following:

According to the Company, the Securities are currently listed on the BSE under the symbols "NUH" and "NUHW" respectively. The Securities also currently trade on the Nasdaq Small Cap under the Symbols "NUMD" and "NUMDW". It is the Company's intention to continue to have the Securities listed on the Nasdaq. The Company is seeking to delist from the BSE because there has been no trading activity in the Securities on the BSE since the Company's original listing in February 1995. The Company does not wish to continue any expenses associated with the BSE listing. All trading in the Securities occurs on the Nasdaq.

Any interested person may, on or before August 22, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the BSE and what terms, if any, should be imposed by the Commission for the protection of investors.
